2. Mental Health Initiative

First Request for Proposal (RFP) MHI 2018.1 Prevention/Early Intervention was released November 19, 2018. Three Stage 3 applications were submitted. Reviewers were assigned to the three applications. At the March 4th Reviewers meeting two of the three were recommended for funding and advanced to the Grants Review Committee. The third applicant was asked for additional information and clarification prior to a recommendation. The two applicants advanced to the Grants Review Committee were interviewed at the meeting held March 11th and forwarded to the RAP Foundation Board.

3. Immigrant Issues – James Irvine Re-Granting

Grantees have followed up with John Epps on capacity building for their respective organizations' work regarding the additional funding for CNA services. They received accompanying cash grant to increase their work for the duration of the service agreements which end March 31st. Next Grantees meeting is scheduled for March 29th. This gathering serves as their final meeting under the regranting funds.
