2. Small Grant, Renewals – Action Required

a. Reconsideration of the World Affairs Council of the Desert \$2,995.00 -

RAP Board approved \$3,850 for coach stipends on July 22. RAP staff met with General Portante to discuss the stipulations for the grant. General Portante provided additional information to explain that the \$3,850 designated for coach stipends would raise future years' expectations and require additional fundraising. The World Affairs Council accepted the approved TAP services and requested that RAP not stipulate raising the coach stipends, and to keep the amount at \$2,995.00.

Grants Review Committee Recommendation: The Grants Committee met on Aug. 26 and agreed to revise their recommendation and not require an increase in coach stipends to avoid raising the cost of the program. The Committee agreed to recommend \$2995 for coach stipends.

Motion: C. Borba to approve the Grants Review Committee recommendation

F. Mental Health Youth Access Mobile Application – Action Required

The MHC met on Aug. 26, 2015 and had the opportunity to hear about the MH youth mobile application that RAP's Health Career Connections intern, Cristal Salcido, has been researching and developing. They viewed a powerpoint demonstrating the application. SafeHouse of the Desert represented by Mary Battin, followed with a brief presentation of their work on their own youth mental health application. RAP and SafeHouse have been cooperating with each other to assist in the project and there is interest in combining resources to complete the development of this project. The MHC directed staff to continue to work together and explore potential partnerships with the local school districts, Riv. Co. Mental Health and College of the Desert. They raised concerns about legal responsibility for the mobile application, which would need to be addressed by Safehouse primarily if they were to administer the application. They also questioned if RAP, as a funder, would have any legal responsibilities.

Mental Health Committee Recommendation: The MHC directed staff to continue to work on the project but to hold off on entering into an MOU with SafeHouse of the Desert to allow the full RAP Board to give direction. *Do you like the concept? Should we proceed with an MOU to identify RAP's area of interest and explore cost and liability issues?* If RAP approves proceeding with an MOU with SafeHouse of the Desert, the project would continue and the MHC will review with additional information including services, cost, and liability before making a recommendation to the RAP Board at a future meeting.

Motion: L. Parrish motion to enter into an MOU with SafeHouse of the Desert to explore working together to develop a mental health application. However, it should not be restricted to youth, possibly include Veterans. Second: C. Borba Approved: 13 Opposed: 0 Abstention Name(s): 0
