Dear Chairman, Borboa,

Please accept this formal notice of my resignation from the Board of Directors of the Regional Access Project as of October 15, 2021.

I sincerely appreciate the opportunity to have served on the Board of Director's. It has been a wonderful experience and honor. At this time, I have taken on too many responsibilities and I do not have the time to represent the City of Blythe on your board.

I wish you success with your mission. Your organization is truly a blessing to all you have served.

Sincerely,
